CIVIL TIMES

From the Desk of the Principal

ABDUL NASAR KAIPPANCHERY

Dear All,

I am thrilled to share with you the outstanding performance of our civil engineering students in the recent examinations. Their dedication, hard work, and perseverance have once again brought pride and honor to our department and our institution as a whole. Achieving excellence in academics is a testament to the quality of education and support provided by our faculty and staff, as well as the commitment and determination of our students.

As we celebrate this remarkable achievement, let us also acknowledge the importance of fostering a conducive learning environment that nurtures creativity, critical thinking, and innovation.

I extend my heartfelt congratulations to all the students, faculty, and staff who have contributed to this success, and I look forward to witnessing even greater accomplishments in the future.

Warm regards...

From HOD's Cabin

NIASI K A

Head of Department
Department of Civil Engineering
Seethi Sahib Memorial Polytechnic College

I am pleased to report on the various activities and initiatives undertaken by our department in recent months. From hosting invited lectures and seminars by eminent scholars and practitioners to organizing convocation programs and career guidance sessions, our department has been actively engaged in providing enriching experiences and opportunities for our students. These events not only complement our academic curriculum but also provide invaluable insights, networking opportunities, and real-world perspectives to our students. Additionally, our faculty members have been actively involved in research and professional development activities, contributing to the advancement of knowledge and practice in the field of civil engineering.

I commend everyone involved in organizing and participating in these activities for their dedication, passion, and commitment to excellence.

Let us continue to strive for excellence in all that we do and uphold the reputation of our department as a center of academic and professional excellence.

Warm regards...

The principal presents a gift to Sulaiman sir who is retiring from the Civil Department after long service.

Vision of Institution

To be an institution of excellence in developing technically competent and socially committed engineers.

Mission of Institution

- To impart quality education by fostering technology innovations for sustainable development.
- To develop professional as well as entrepreneurial culture by adopting technological changes.
- To inculcate team spirit and ethical values by engaging in social endeavours.

Vision of Department

To be a premier hub for moulding quality conscious and socially responsible Civil Engineers with diverse skills.

Mission of Institution

- To create an ambience for academic excellence to enrich the competency, credibility and integrity of the students.
- To encourage the students towards higher education and effective career so as to take up challenges in the field of civil engineering.
- To transform students into responsible professionals for betterment of society and sustainable development of nation.
