CIVIL TIMES

Convocation program organized by Civil Department is inaugurated by Dr. Abdur Rahman, LBS director and ex-AICTE director.

Vision of Institution

To be an institution of excellence in developing technically competent and socially committed engineers.

Mission of Institution

- To impart quality education by fostering technology innovations for sustainable development.
- To develop professional as well as entrepreneurial culture by adopting technological changes.
- To inculcate team spirit and ethical values by engaging in social endeavours.

Vision of Department

To be a premier hub for moulding quality conscious and socially responsible Civil Engineers with diverse skills.

Mission of Institution

- To create an ambience for academic excellence to enrich the competency, credibility and integrity of the students.
- To encourage the students towards higher education and effective career so as to take up challenges in the field of civil engineering.
- To transform students into responsible professionals for betterment of society and sustainable development of nation.

From the Desk of the Principal

ABDUL NASAR KAIPPANCHERY

Dear All,

I am thrilled to announce the completion of another significant project undertaken by our department—the construction of a second home for a deserving family in need. This initiative exemplifies our department’s commitment to social responsibility and community service, as well as our dedication to making a tangible difference in the lives of others. Providing shelter and security to those less fortunate is not only a testament to our technical expertise but also a reflection of our values as educators and citizens.

As we celebrate this achievement, let us also reflect on the power of collective action and the impact that each of us can have when we come together with a shared purpose.

Let us continue to strive for excellence in all our endeavors and uphold the spirit of compassion, generosity, and solidarity that defines our institution.

Warm regards...

From HOD’s Cabin

NIASI K A

Head of Department
Department of Civil Engineering
Seethi Sahib Memorial Polytechnic College

Dear All,

As we come together for the seventh volume of our newsletter, I am reminded of the importance of pursuing our passions with dedication, perseverance, and enthusiasm. In the field of civil engineering, where creativity and innovation are essential, it is crucial that we approach our work with a sense of purpose and commitment. Whether it be designing sustainable infrastructure, conducting research on emerging technologies, or participating in community service projects, each of us has the opportunity to make a meaningful impact through our work.

I encourage you all to follow your passions, explore new opportunities, and embrace challenges with an open mind and a positive attitude.

Let us continue to push the boundaries of what is possible, inspire one another, and strive for excellence in all that we do. Together, let us make a difference and leave a lasting legacy for future generations.

Warm regards...
